To Whom it May Concern,

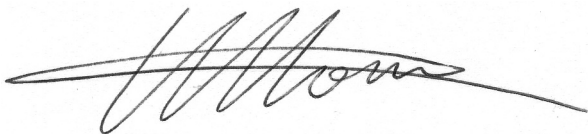

We have used the services of Design and Print since we began our label and find their service and quality to be of an excellent standard. We have also used Vel clothing for our production since it's beginning and this has become our preferred manufacturer. We find it a great benefit that both printing and manufacturing is done at the same premises as this is cost effective and time saving.

I would not hesitate to recommend both Vel and Design and Print's services.

Feel free to contact me if you require any further information.

Yours faithfully,

Helene Morris
